LETTER OF RECOMMENDATION: PROSHIELD SECURITY CC

I, the undersigned, in my capacity as Chairperson of the Alenti Office Park Body Corporate, hereby confirm that we have been contracting Proshield Security CC for Guarding and Security Services since August 2023.

We are completely satisfied with their services and are looking forward to building a long and lasting relationship with Proshield Security CC. We can strongly recommend their services.

We are especially pleased with the level of service we received directly from the Managing Director, Pieter Van Rensburg and our Area Manager, Andre Nel. They are extremely professional and always fast and effective in handling our enquiries and presenting alternative solutions. They have a proactive and hands-on approach and do regular site visits to ensure quality of service and client satisfaction.

For any further queries, please do not hesitate to contact the sender of this letter.

Yours faithfully,

PG STEYN
