To Whom It May Concern,

It is with great pleasure that we provide this reference for Proshield Security Services, who have been providing security services to 15 On Bond Student Accommodation for the past three years.

Harcourts Evolve manages this student accommodation building, which houses 102 students, where safety, professionalism, and reliability are of the utmost importance. Throughout our partnership with Proshield, we have consistently received exceptional service and unwavering commitment to maintaining a secure and well-managed environment for our residents and staff.

We would like to extend our sincere appreciation to Andre, the Operations Manager, for his outstanding leadership, professionalism, and proactive approach to security management. His responsiveness and attention to detail have ensured that all matters are addressed swiftly and effectively.

We would also like to commend Isaac and Moses, our onsite security officers, for their dedication, vigilance, and courteous conduct. They perform their duties with great care and professionalism, and their presence contributes significantly to the comfort and safety of our students.

We are proud to be associated with Proshield Security Services and have no hesitation in recommending their services to any organisation seeking a professional, reliable, and dedicated security partner.
